Question: Who is Sebastian?

Answer: Please let us explain. (Ms.) Sebastian is the name of our dog. We found her as an abandoned, helpless puppy at a convenience store in Pascagoula, Mississippi. (Ms.) Sebastian was instantly endeared to our hearts. The fuzzy white puppy was apparently a mixture of White Shepherd and Great Pyrennes.

Some restaurants are named after the owner's children but not all restaurants are named after such a noble character as (Ms.) Sebastian. In becoming a lady, she has cultivated a fondness for fine foods, such as Chicken Cordon Bleu, Prime Rib and such offerings; Truly a canine Epicurean! Need we say more?
